

NATURAL RESOURCES AND ENVIRONMENTAL PROTECTION ACT (EXCERPT)
Act 451 of 1994

324.81116 Application for license by owner or dealer of ORV; filing; form; signature; fee; false information prohibited; issuance of license; validity; purchase and resale of ORV licenses; refunds; records; attachment of license to vehicle; license not required for vehicle used and stored outside state; lost or destroyed license.

Sec. 81116. (1) The owner of an ORV requiring licensure under this part shall file an application for a license with the department or a dealer on forms provided by the department. If an ORV is sold by a dealer, the application for a license shall be submitted to the department by the dealer in the name of the owner. The application shall be signed by the owner of the vehicle and shall be accompanied by a fee of \$16.25. A person shall not file an application for registration that contains false information. Upon receipt of the application in approved form and upon payment of the appropriate fee, the department or dealer shall issue to the applicant a license which shall be valid for the 12-month period for which it is issued. A license shall be issued for the 12-month period beginning April 1 and ending March 31 each year.

(2) Dealers may purchase from the department ORV licenses for resale to owners of vehicles requiring licensure under this part. The department shall refund to dealers the purchase price of any ORV licenses returned within 90 days after the end of the 12-month period for which they were valid. The dealer shall maintain and provide to the department records of ORV license sales on forms provided by the department. In addition to the sale of ORV licenses, a dealer engaged in the sale, lease, or rental of ORVs as a regular business may sell any other license or permit authorized by the department to be sold by other dealers under the statutes of this state.

(3) The license shall be permanently attached to the vehicle in the manner prescribed and in the location designated by the department before the vehicle may legally be operated in accordance with this part.

(4) If at the time of sale the purchaser certifies on a form provided by the department that the purchased vehicle otherwise requiring a license under this part will be used and stored outside of this state and will not be returned by the purchaser to this state for use, then a license is not required.

(5) If a license acquired by the owner of an ORV is lost or destroyed, the department shall provide that person with a replacement license free of charge. The department may require a person requesting a replacement license to supply sufficient evidence of the loss or destruction of the original license.
